Subject: Proposal for Student Internship Collaboration with MaaSanskriti Society

Respected Dr. Pearl Devdas,

Greetings!

I am Prashanth Ullal, Founder of MaaSanskriti Society, a registered not-for-profit organization based in the Andaman & Nicobar Islands. MaaSanskriti Society is registered on the NGO DARPAN Portal of the Government of India with **DARPAN ID: AN/2026/0992379 (Status: Active)**.

We seek the support of Jawaharlal Nehru Rajkeeya Mahavidyalaya in introducing a Student Internship Programme that offers students an opportunity to gain practical experience in corporate communication, CSR outreach, business networking, fundraising, and social development.

1. INTERNSHIP OPPORTUNITY

Selected students will be inducted as Student Members of MaaSanskriti Society and will receive structured guidance in:

- Corporate communication and professional etiquette
- Understanding Corporate Social Responsibility (CSR)
- Corporate telecalling and email communication
- Proposal presentation and relationship management
- Database management and reporting
- Professional networking with companies across India
- Documentation and follow-up
- Team collaboration and leadership skills

Their primary role will be to introduce MaaSanskriti Society and its social initiatives to corporate organizations and facilitate CSR collaborations.

2. PERFORMANCE-BASED REMUNERATION

MaaSanskriti Society follows a performance-based remuneration model, where compensation is determined by each individual's measurable contribution rather than a fixed salary.

Student Members will be eligible to receive **up to 3%** of the CSR funds successfully mobilized through the corporate partnerships they help establish, subject to the following conditions:

- The CSR proposal must be approved by the corporate organization.
- The CSR funds must be received by MaaSanskriti Society.
- The Student Member must have played a significant role in initiating and facilitating the engagement.
- Remuneration will be released after the receipt of funds and in accordance with the Society's policies and applicable laws.

This model encourages initiative, professionalism, accountability, and entrepreneurial thinking while enabling students to earn based on the value they create.

3. BENEFITS TO STUDENTS

Practical
Corporate
Exposure

Hands-on
Experience in
CSR Engagement

Professional
Communication
Skills

Corporate
Networking
Opportunities

Internship
Certificate

Performance-based
Remuneration

Letter of
Recommendation
(Based on Performance)

Students will also have the opportunity to contribute towards impactful social development initiatives in education, healthcare, tribal welfare, environmental sustainability, youth empowerment, and community development.

We believe this collaboration will bridge the gap between classroom learning and real-world professional experience while empowering students with valuable skills that enhance their employability and leadership potential.

We would be grateful for an opportunity to meet you and your faculty to present the internship programme in greater detail and conduct an orientation session for interested students at your convenience.

Thank you for your time and consideration. We look forward to the possibility of collaborating with JNRM in creating meaningful opportunities for the youth of the Andaman & Nicobar Islands.

MaaSanskriti Society looks forward to partnering with Jawaharlal Nehru Rajkeeya Mahavidyalaya through meaningful internship opportunities that foster professional growth while contributing to social development.
